Its liturgy book—often referred to in Amharic as *Mäshafä* or *Mäshafa*—serves as the fundamental manual guiding the worship of God through prayers, hymns, rituals, and sacramental rites. This liturgical compendium is not merely a collection of texts but embodies the theological doctrines, historical developments, and cultural expressions of the Ethiopian Orthodox faith. Its study reveals insights into the church's identity, its relationship with divine and human realms, and its adaptation over centuries amidst changing political and social contexts. Historical Origins and Development Ancient Foundations The origins of the Ethiopian Orthodox liturgical books trace back to early Christianity, with influences from Coptic Egypt, which facilitated the transmission of liturgical traditions into Ethiopia. Traditionally, it is believed that the Tabot (sacred replica of the Ark of the Covenant) and associated rituals, including the liturgy, were established during the Aksumite Empire (circa 4th century CE). The earliest manuscripts were handwritten on parchment, and their contents were transmitted orally and through oral tradition before being committed to text. The Ethiopian Church adopted the Alexandrian Rite, but uniquely adapted it to its indigenous language, culture, and theological nuances.
